My name is Reid Thompson, and I've lived in Cleveland Park with my family for 7 years, about a block off of Connecticut. I write to oppose any zoning changes in Cleveland Park. Existing zoning is more than adequate to allow for continued development as appropriate. The zoning changes that OP is pressing for are completely unnecessary and uncalled for. There are tons of vacant residential and commercial units in Cleveland Park today. Most buildings still have room for additional development under current zoning. Why should we change it? Makes no sense and runs the risk of massive development that would be incompatible with the character and historic nature of our wonderful community and undesirable to me and many other long-time residents. I would urge the ZC to reject OP's campaign to remake Cleveland Park.
