Subject: Support of Proposed Zoning Text Amendments

To the DC Zoning Commission,

As ANC Commissioner representing SMD 6E01, I want to reach out to express my support for the two proposed zoning text amendments that are being discussed this month (ZC 25-11 Rear Additions and ZC 25-12 Omnibus Amendment). I believe both are good steps for the city and should be adopted.

Thank you,
Sam

Sam Alhadeff

Advisory Neighborhood Commissioner, SMD 6E01
