Dear Chairman Anthony Hood,

Please approve the proposed rezoning of Wisconsin Avenue, Zoning Case 25-13. The rezoning would expand the opportunity to build more housing in this high opportunity area, at two Metro stations and along a major bus corridor.

As our young family grows, creating more housing opportunity and options will make it more likely that we can continue to live in Washington DC instead of being forced to move out in search of more space and education options.

Sincerely,
Mr. Bill Palombi
