Dear Chairman Anthony Hood,

I would encourage the Zoning Commission to approve the proposed rezoning of Wisconsin Avenue, Zoning Case 25-13. It's important that there is housing opportunities everywhere in the district. Recent data has shown that ward 3 has not met housing goals both affordable and otherwise. These neighborhoods have the infrastructure in place to help support people including metro access, groceries, parks such as rock creek, jobs, and more.

The district population continues to grow. I think this plan is important part of making sure there are opportunities for everyone who wishes to call the district home.

Thank you for your consideration.

Sincerely,
Mr. Evan Judge
