Hello,

I wish to express my support for the proposals in the Supplemental Report III. The rationale for each of these proposals is well-supported, and will help the area fulfill the goals of the Wisconsin Ave. Development Framework.

I am sending this letter because I live here in Tenleytown and care about the future of my community. The rezoning of Friendship Heights and Tenleytown will benefit this area and the city as a whole.

I specifically support the proposals in Office of Planning's Supplemental Report III to:

1. Only subject projects on lots 15,000 SF or larger to Design Review for the new Friendship Heights and Tenleytown Metro zones.
2. Exempt historic properties from Design Review because they will be reviewed by HPRB.

Thank you for your consideration.

Sincerely,

Megan Tribble
