Re: ANC 2G Support for Zoning Map Amendment — 801 R Street NW (RA-2 to MU-10), with Request for Public Art

Chairperson and Members of the Zoning Commission,

At its duly noticed public meeting on June 11, 2026, with a quorum of six Commissioners present, Advisory Neighborhood Commission 2G voted unanimously (6-0-0) to support a Zoning Map Amendment for 801 R Street NW, changing the property from RA-2 to MU-10, and to request consideration of the installation of public art in the public space the applicant is providing to the community.

ANC 2G supports the requested map amendment and respectfully requests that the Zoning Commission enter this position into the case record. The Commission further requests that the applicant be encouraged to incorporate public art within the public space being provided as part of the project, as a community benefit and amenity.

This motion was moved by Commissioner Howard Garrett Jr. (2G01) and seconded by Commissioner Alexander M. Padro (2G02). The motion passed unanimously (6-0-0).

Thank you for your attention to this matter. Please feel free to reach out if additional information is needed.

Sincerely,

Steven M. McCarty
