Re: Zoning Commission Case No. 80-07F: 111 Massachusetts Avenue, NW  
Acknowledgement of ANC 6E Commitment regarding Signage Lighting

Dear Chairperson Hood and Members of the Commission:

As set forth in ANC 6E's report in support regarding the lighting of the proposed upper-story signage, the University has agreed with ANC 6E that the lighting of the upper-story sign will be turned off by 10:00 PM, with the ability to extend the turn-off time to 11:00 PM if agreed to by ANC 6E. (The building otherwise closes at 11:00 PM.)

The University appreciates ANC 6E's continued thoughtful collaboration and engagement on Capitol Campus matters and looks forward to the Zoning Commission's consideration of the application at the upcoming October 9 public meeting.

Very truly yours,
