Dear Mr. Boasberg:

On October 1, 1987, at a special meeting, the Zoning Commission for the District of Columbia initiated action to sponsor, and authorized the scheduling of a public hearing in, the above-numbered case. The public hearing for Case No. 86-26 has been scheduled to be held on January 14, 1988, provided that compliance with certain procedures is met. Enclosed is a copy of a referral to the Office of Planning that includes a list of the properties affected by the proposal.

Your attention is directed to Section 3013 of Title 11, District of Columbia Municipal Regulations (DCMR), Zoning. This case will be heard under Section 3021 of those rules. Your attention is also specifically directed to Sections 3014 through 3020 in regard to general hearing procedures. In particular, please note subsections 3014.3 through 3014.5, in regard to the responsibilities of the petitioner for posting. At the special meeting on October 1, 1987, the Zoning Commission identified the petitioners in this proceeding as the Chevy Chase Citizens Association, the Woodley Park Community Association, and the Cleveland Park Historical Society.

The Commission also scheduled a prehearing conference in this case for December 10, 1987, at 7:00 P.M. In connection therewith, the Commission ruled that the petitioner must submit, no later than December 1, 1987, an outline of the testimony which it intends to offer at the hearing, and the time for presentation of the petitioner's case. At the prehearing conference the Commission will

Pursuant to 11 DCMR 3014.3, you are hereby notified that the property in squares 2218, 2219, 2222, 2068, and 2069 which is affected in this case must be posted no later than December 5, 1987, and that an affidavit of compliance with the posting requirements should be received in this office no later than December 15, 1987.
