re: 2610 & 2612 Woodley Pl., N.W.

Dear Ms. Robin:

I am in receipt of your letter dated August 1, 1986 to the Chairperson of the Zoning Commission regarding the status of the request of ANC-3C to rezone the west side of Woodley Place, N.W., as per ANC-3C letter dated March 28, 1986. Please accept my apology for not writing to you before now.

On April 14, 1986, at its regular monthly meeting, the Zoning Commission for the District of Columbia considered your letter dated March 28, 1986 and referred the matter to the technical staff of the Office of Planning (OP) for review and comment. It is my understanding that there has been some communication between the OP and persons in your ANC about this matter. It is also my understanding that the OP believes that this matter should be addressed in the context of developing the Ward Plans of the District of Columbia.

For additional information regarding the status of this matter, please contact Mr. Terry Brooks or Ms. Bonita Walker of the OP at 727-9600.

Sincerely,

A handwritten signature in dark ink, reading "Edward L. Curry". The signature is written in a cursive style with a prominent "E" and "C".
