RE: Z.C. Case No. 86-26
(Conn. Ave. - Text & Map)

Dear Mr. & Mrs. O'Sullivan:

At its public meeting on November 16, 1987, the Zoning Commission for the District of Columbia considered your letter dated November 13, 1987, about Zoning Commission Case No. 86-26. The Commission determined that in accordance with 11 DCMR 3011, your letter would be referred to the Office of Planning for a recommendation whether the Commission should consider the zone map amendment which you propose. The Commission determined not to include that proposed zone change in the scope of the public hearing notice for this case.

Sincerely,

A handwritten signature in dark ink, appearing to read "E. Curry", is written over the typed name.
