Dear Mr. Williams,

I chose to buy my apartment at the Broadman because of the neighborhood feeling of Cleveland Park. I moved here from Annapolis, Md. and welcomed the friendliness of the neighborhood merchants as well as the historic buildings that are such an important part of Cleveland Park. I am afraid that my view will be blocked if Connecticut Ave. is not rezoned and I am fearful of pollution and traffic congestion and the loss of this beautiful, residential neighborhood. Please be sensitive to my plea. Roslyn Beatty
