Dear Mr. Chairman,

The Quebec House Tenants Association wishes to testify on the petition for rezoning Connecticut Avenue, which has a hearing scheduled for Jan. 14, 1988. The one thousand residents who live at this apartment complex, which is within one block of Connecticut Avenue, want to have their concerns on record regarding this important neighborhood issue. A written copy of our testimony will be submitted at a later date, before the hearing.

Sincerely,

*Roger Burns*
