Case... **86-26**

Dear sir:

Exhibit... **151**

Re: Case no. 86-26

CPHS Rezoning

We wish to join our neighbors in urging you to support the rezoning of Connecticut and Wisconsin Avenues in Cleveland Park to C-1. We understand that this is in accordance with the city's Comprehensive Plan and Mayor Barry's wishes.

We have lived here almost thirty three years and deeply appreciate the rare and irreplaceable neighborhood way of life. We see no reason that we should fall into the hands of rapacious developers with their eye only on the fast buck. We need our small shops, restaurants, and services who have been our friends for many years.

Thank you for helping us maintain the rare qualities of our neighborhood.

Sincerely yours,
Janet Howard Roman
