Dear Mr. Williams,

I strongly support the proposed rezoning of Connecticut Avenue & Wisconsin Avenue in Cleveland Park to protect this charming community from the high rise buildings proposed by ruthless money makers, which would destroy this residential and small business community.

I would hate to see the kind of destruction perpetrated in Bethesda repeated here.

If our home town type small merchants are banished & replaced by the kind of mammoth commercial buildings that could be developed in neighborhoods that are not unsuitable for such development yet another beautiful Washington amenity will be lost.

Yours truly,  
Glenn Lips
