Dear Chairman Williams,

I am a resident of Cleveland Park and am very concerned about CPHS rezoning in Case No. 86-26. We need to protect small scale, low rise commercial structures on Connecticut and Wisconsin Avenues. Already there is enough development. Traffic is too heavy on these two streets and parking is almost impossible. It would be a disaster if the Cleveland Park Metro stop area were developed and looked like Van Ness - U.D.C. area. Please limit development such as the Caffitz - Daniels plan for the Old Park-and-Shop; no high rises.

Sincerely,
A. L. MacArthur
