Dear Chairman Williams,

I have lived in Cleveland Park 23 years and have seen it grow and change. I am not opposed to growth and change but I feel the growth in any area of the city should not overwhelm or destroy the residential qualities of that area. Unfortunately, as the parking congestion and traffic in the Van Ness area of Connecticut Ave. N.W. and the Upton/Van Ness area of Wisconsin Ave. N.W. shows, we are in danger of losing the delicate balance between a residential and a commercial area.

Please help us preserve the historic Cleveland Park area on Connecticut Ave. N.W. by supporting the rezoning in Case #86-26. Please help keep our area's residential and small business mix by limiting high rise commercial office construction. A city should listen, hear, and respond to all its citizens-----
-----not just the big developers with lots of money.

Yours truly,

Annette Klayman
