D.C. Zoning Commission
Washington, D.C. 20004

Dear Mr. Williams,

As a resident of the Cleveland Park area of Washington, D.C. I would like to express my opposition to rezoning this area. I am also very much infavor of the 10 story building proposed by the owners of the site of the Stop and Shop building. I have seen the architect's drawing of this building and feel it would be a welcome addition to the neighborhood. The new building, in addition to being quite appealing to the eye, can offer many more services to the residents of Cleveland Park than can the usightly one there now.

Yours truly,

James F. McArthur
