Dear Chairman,

As a Cleveland Park resident and member of the Cleveland Park Historical Society (CPHS), I am writing in support of the petition submitted by CPHS to preserve the character of our neighborhood commercial zone and protect it from unreasonable development. The rezoning petition is even more critical to our neighborhood in view of the proposal by the Urban Group to build an 11 story mixed use structure at the current Park and Shop site. We are counting on our local government to enforce its Comprehensive Plan, prevent non-residents from making unreasonable profit at the expense of our quality of life, and protect the rights of the citizens of Cleveland Park to determine the fate of their own neighborhood.

Sincerely,

Steven A. Fillipow
