Dear Chairman:

My husband and I have lived in Tilden Gardens for nearly 10 yrs. and are visiting in support of the Cleveland Park Historical Society's rezoning petition to rezone Connecticut and Wisconsin Avenues (in the Cleveland Park area) from C-2-A to C-1.

While the residents of Cleveland Park are anxious to see our community grow and prosper, we don't want to see our neighborhood become another K Street.

Specifically, we consider that three stories in height, and density of between 1.0 and 2.0 are more in keeping with our area, with its "historic neighborhood" designation, than the current

zoning which allows for four to five stories and 2.5 FAR.

Again, we request your support of CPHS petition for rezoning to C-1. Thank you.

Sincerely  
Amy Demones
