Re: Case #86-26

Dear Mr. Williams:

The Cleveland Park area is one of the few remaining liveable neighborhoods in the city, in spite of its growing traffic and parking problems.

The proposed high-density, non-neighborhood oriented development of the Park & Shop site will make matters much worse.

I urge the Commission to re-zone this area so as to keep development in line with the city's Comprehensive Plan and the wishes of the citizens who live near Cleveland Park.

ZONING COMMISSION
District of Columbia

Sincerely,

Case... 86-26

Exhibit... 205
