Mr. Lindsey Williams, Chairman,  
D.C. Zoning Commission,  
Washington, D.C.

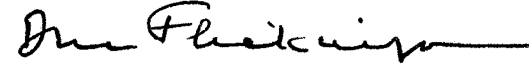

Dear Sir;

Since my retirement fifteen years ago, I have lived very happily in Cleveland Park. It has proved to be a very fine area of this City in which to live.

Because I wish very strongly to maintain this fine residential area in its current state, I support the petition of the Cleveland Park Historical Society for re-zoning.

Your serious consideration of this petition will be greatly appreciated.

Sincerely,

Don Flickinger Brig. Gen. USAF - ret.
