Re: Case #86-26

Dear Mr. Williams:

I'm writing to express my support for the effort of the Cleveland Park Historical Society to change the zoning of the commercial areas in our neighborhood.

I strongly oppose efforts to build a huge office and retail complex on the site of the old Park and Shop. Our neighborhood is precious and historic, and it should be preserved. Its small scale allows an intimacy not found in many other parts of town. It doesn't need more traffic, more congestion. Perhaps most important, it is a neighborhood the city can be proud of--where people know and care about their neighbors. I can't believe the city would want to destroy all that by allowing unrestrained development.

Thank you for acting to change the zoning to prevent the destruction of Cleveland Park.

Sincerely,

Deborah A. Potter
