Re: Case No. 86 26

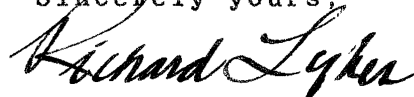

Dear Mr. Williams:

I am writing to express both my personal support and that of many residents of Tilden Gardens cooperative apartment complex for the petition filed by the Cleveland Park Society to rezone Connecticut Avenue.

It is with considerable concern that long time residents of Cleveland Park see their neighborhood change so rapidly. We urge your Commission to study this petition and give careful consideration to the Comprehensive Plan when evaluating this petition for rezoning. Serious traffic, parking and pollution problems already exist. Connecticut Avenue needs rezoning to remain a "low density, local neighborhood center."

We thank you for your consideration on our behalf.

Sincerely yours,

Richard S. Lykes
