Dear Mr. Williams 1988 JAN 20 PM 2:30

I live at the Kennedy Warren-3133
Conn. Ave. N.W. I've been here for 6 years
and at 2311 Conn. Ave for 2 before that, and
love the area.

I want you to know how strongly I
feel and how hard I will fight to keep
the neighborhood a livable place. With
the Historic District appropriately protected,
we need to bring the area's commercial
Zoning into line.

The traffic, parking, pollution and the
out-of-scale, out-of-character look of
a large scale office building would not
be in keeping with the protection this rare
and endangered neighborhood needs to
stay alive.

I hope we can count on you to
help us as an important livable part of
the city.

Sincerely-

Joi S. Sloan
