D.C. Zoning Commission

The District Building, Room 11

Washington, D.C. 20004

Case #86-26

and 87-35

Dear Mr. Williams:

I would like to register my protest about the proposed development on Connecticut Avenue in Cleveland Park. I do not think that a large building is appropriate for the area: there will be too much traffic and the pollution resulting from this will be dangerous. The parking situation which is already terrible will be much worse.

Please do not allow developers to build such a terrible building.

Sincerely yours,

Antonia Lopez
