Dear Mr. Williams:

I have lived in this neighborhood for years; have shopped here very satisfactorily and I fully support its continuing to serve the needs of the residents located here.

I wish to go on record of objecting seriously the building of a massive office building on Conn. Ave. near Porter Street.

I hope the residential nature of this area will be preserved.

Sincerely,

*Jean Slack - 2801 Quebec St. N.W.*

Re; Case 86-26

Dear Mr. Williams:

I have lived in this apartment over 30 years. I have shopped in this area all those years, and I fully support its continuing to serve the needs of people who also have lived here for years. I object to building massive office buildings here. I hope the residential nature of this area will be preserved.

Sincerely,
