Re: Rezoning of Cleveland Park

Dear Mr. Williams:

I wish to endorse most heartily the Petition of the Cleveland Park Historical Society on the rezoning of Connecticut and Wisconsin Avenues. There are many reasons why this rezoning should be executed. Limited development would be in order but we do not need the congestion and overcrowding of a high-rise development. We need neighborhood services and livability. We trust you will give this matter your most earnest consideration.

Very truly yours,

*Karen S. Orwick*

We are very concerned that this neighborhood does not degenerate to the state of a high-rise jungle prevailing near the Bethesda Metro Stop.
