Re: Rezoning of Cleveland Park

Dear Chairman Williams:

I wish to endorse most heartily the Petition of the Cleveland Park Historical Society on the rezoning of Connecticut and Wisconsin Avenues. There are many reasons why this rezoning should be executed. Limited development would be in order but we do not need the congestion and overcrowding of a high-rise development. We need neighborhood services and livability. We trust you will give this matter your most earnest consideration.

Very truly yours,
