Re Case #86-26

Dear Mr Williams:

Being a resident of Cleveland Park I am writing in support of the Cleveland Park Historical Society and the ANC 3C proposal to modify the zoning in the area along Connecticut Ave., between Macomb and Porter Streets, N.W. With this area designated as a historic district we need to limit large scale development and keep the businesses that serve this community oriented to our neighborhood needs and not what large scale development would bring, which would forever destroy this close neighborhood atmosphere we now enjoy. Greater traffic and parking problems than we already have would be the result and we would go the way of several other areas where developers have had a free hand.

ZONING COMMISSION

Sincerely,

CASE No. 86-26
