Re: Z.C. Case No. 86-26

Dear Mr. Williams:

I am writing to you out of concern for the orderly development of our neighborhood. I believe that the siting of a large office building and condominium at the Cleveland METRO stop would put a strain on our neighborhood. Parking is already a problem, especially in the milder months when the Zoo attracts many visitors.

I hope that you will do everything to protect our neighborhood from speculation and the loss of neighborhood services.

Sincerely,

Jane E Lowenthal
