ZONING SECRETARIAT,
DISTRICT OF COLUMBIA

1000 JAN 26 AM 1:06

Chairman Lindsley Williams
D. C. Zoning Commission
District Building Room 11
1350 Pennsylvania Avenue, N. W.
Washington, D. C. 20004

Dear Chairman Williams:

INTELSAT was built and enlarged in total disregard for the inhabitants of the residential property over which it threatens. Our peace and quiet will be destroyed by the television station that the District has allowed to be built within the INTELSAT complex.

Now you intend to rezone Connecticut Avenue, allowing another huge block of cheap restaurants, flimsy offices, parking lots, movie complexes. Cleveland Park will become another Rosslyn--and we protest!

The limited development authorized by rezoning of the two avenues, Western and Connecticut, is just and sensible. If the District persists in turning our area into a line of office buildings, it will soon find itself without residents.

Yours,

Mary Raitt

(Miss) Mary H. Raitt
