Re: Case # 86-26

Dear Mr. Williams:

As a resident of Cleveland Park I am writing in support of the Cleveland Park Historical Society and the ANC 3C proposal to modify the zoning in the commercial area along Connecticut Avenue between Macomb and Porter Streets. The limitation on large scale development of this area is consistent with the designation of this area as a historic district. This area should be limited to neighborhood oriented retail establishments to serve the residents of the area. Large scale development, which is currently proposed by outside developers, would cause greater traffic and parking problems in an area already plagued by these problems.

Sincerely,

Patricia A. Power
