Washington DC 20008  
Jan. 24, 1987

Dear Mr. Williams:

I am in ~~EX~~ <sup>commercial, office</sup> ~~NO~~ favor of smaller bldgs in the Cleveland Park, Belmont-Woodley, Vandyke, Nebraska, & Chevy Chase areas of Connecticut Ave. In the Cleveland Park area, the traffic gets worse and worse. It is difficult to cross the streets safely. There are already more food establishments than the Comm. Ave plan would allow. ~~WZONING~~ <sup>WZONING</sup> ~~has~~ <sup>has</sup> a large apt bldg opening on Porter Street which ~~would~~ <sup>will</sup> bring even more traffic.

CASE No. 86-26

Thank you,
