Mr. Lindsley Williams, Chairman
D.C. Zoning Commission
The District Building (re: Z.C Case #86-26.
Washington, D.C. 20004 Woodley Park)

Dear Sir:

As taxpayers and householders in Woodley Park we strongly support the motion to lower the present C-2-B zoning of our area to C-1 or C-2-A zoning to prevent the incursion of large, tall office buildings.

Woodley Park is a handsome residential area. Its character should be preserved. Its streets are unfitted to accomodate the traffic and parking difficulties which incursion of commercial structures would involve.

We strongly urge the Zoning Commission to approve the zoning change recommended above to preserve the character of Woodley Park.
