re: Case #86-26

Dear Mr Williams,

As a new resident of the Cleveland Park "neighborhood," I am writing in support of the Historical Society. I am very much against any ideas of big growth and high rises in the area. I've just recently purchased a condominium at Ordway Gardens and am enjoying the tranquility that the Cleveland Park area offers. I was living downtown by Washington Circle and sacrificed the convenient location to get away from the noise and congestion.

Please hear and try to understand the needs of the people of Cleveland Park. We are living here because we have chose to enjoy the spirit of the existing neighborhood - not to see it disappear.
