Re: Z.C. Case No. 86-26

Dear Chairman:

The thought of disrupting our wonderful old and historical neighborhood is not only upsetting but inconceivable.

All you have to do is drive on Wisconsin Avenue and realize what the construction has done to that area.

Unfortunately, I will not be able to attend the hearing Monday, January 25th, but I wanted to express my frustration as a Cleveland Park citizen for many years as to what seems to be a thoughtless and mindless disruption of our neighborhood.

Kindly take my request and concern upon making your decision about this matter.

Your decision on behalf of the residents at Cleveland Park will make a great impact for a very long time to our community.

Sincerely,

Georgina McCormack
