Mr. Lindsley Williams, Chairman
D.C. Zoning Commission
The District Building, Room 11
Washington, DC 20004

Dear Mr. Williams:

I am writing to state my support for a case pending before the Commission (#86-26), in which the Cleveland Park Historical Society and ANC 3C propose a modification of the zoning in the commercial area along Connecticut Avenue between Macomb Street and Porter Street. If agreed to, the proposed re-zoning in this area would limit commercial development to a degree that is consistent with the designation of the surrounding area as an historic district.

Further, a restriction on the nature of the commercial development would help to ensure that neighborhood businesses remain just that--neighborhood businesses. Larger scale development would cause greater traffic and parking problems than are already in existence in the neighborhood. As a long-time resident of the neighborhood, I do not wish to see increased traffic and parking problems visited upon us.

Please be sure that my letter becomes a part of the public record on this case. Thank you.

Sincerely,

E. Scott Chronister
