Case #86-26

Dear Mr. Williams:

I would like to register my protest about the proposed development on Connecticut Avenue in Cleveland Park. I do not think that a large building is appropriate for the area: there is a need to bring zoning of this area into line with the Historic District. It is important that city government officials protect the city neighborhoods. I come from New York and I have seen and experienced what losing a neighborhood does. It increases crime and makes the quality of life less desirable.

Please do not allow developers to build such a terrible building.

Sincerely yours,

Mary W. Coit
