Re: Case number 86-26

Dear Mr. Williams:

As you know, the Cleveland Park Historical Society and the ANC 3C is proposing to modify the zoning in the Connecticut Avenue commercial area between Macomb and Porter Streets. As a resident of Cleveland Park, I am writing in support of this proposal. The limitation on large scale development of this area is consistent with the designation of this area as an historic district and the city plan. In addition, the large scale development proposed by the developer would cause greater traffic and parking problems in an area already plagued by these problems, particularly on Ordway Street where I live.

Sincerely,

*Jeffrey Itall*
