Re: Case # 86-26

Dear Chairman Williams:

As an almost 30-year resident of Cleveland Park, it is my hope that the Zoning Commission will approve the Cleveland Park Historical Society-ANC 3C proposal to modify the zoning for the commercial area in this neighborhood.

The large-scale development proposed for the Park & Shop area under current zoning and all other development that is sure to follow on the east side and south on Connecticut Avenue will, among other things (all negative), increase traffic and parking congestion, increase pollution, and drive out the businesses essential to the life of this neighborhood.

Cleveland Park has been designated a historic area. Please don't let that designation become lost in office buildings, trendy boutiques, and the like that are neither needed nor wanted.

LET CLEVELAND PARK BE CLEVELAND PARK.

Sincerely,

Judith L. Smith
