The District Building, Room 11
Washington, D.C. 20004

Dear Mr. Lindsley:

I am writing this letter for the purpose of stating that I am opposed to the proposed commercial building construction (PUD's) in Woodley Park. I have lived in this uptown location since 1976 and have been a property owner since 1980.

In my opinion, large, tall Office Buildings are out of place in this neighborhood, would ruin the beauty of the neighborhood and cause an already bad parking and traffic problem to become worse.

I ask that you support the concerned citizens of this neighborhood in preventing this type of development.

Thank you for your assistance.

Sincerely

Rodney Bovernick
