Mr. Lindsley Williams, Chairman
D.C. Zoning Commission
The District Building
Wash., DC.

Re: Z.C. Case #86-26
Woodley Park

Dear Chairman Williams:

Please allow us to preserve our
neighborhoods by down zoning.
We want to keep our peaceful
neighborhoods.

Currently, we're already dealing
with too much traffic and congestion
from the hotels and the zoo.

It is not unusual (both day and
night) ~~the~~ to find Woodley Rd.
barely passable (and even impassable)
when the Sheraton has events.

ZONING COMMISSION

CASE No.

86-26

EXHIBIT No.

353

Please keep major commerce downtown
and not in the residential areas.

Sincerely, Katherine Reuter
