RE: Z.C. Case #86-26, Woodley Park

Dear Mr. Williams;

As a resident of Woodley Park for the past fourteen years I'm writing to plead for the soul of the neighborhood. As the city becomes ever more commercial and crowded, areas that allow the human scale to triumph must be nourished and protected. Such a place is Woodley Park.

Commercial density must be controlled.

You can help preserve our city's heritage by demanding that the residential nature of our in-town community be honored.

Even busy, successful cities need an oasis every once in awhile.

Save Woodley Park!

Thank you.
