Re: Case #86-26

Dear Sir:

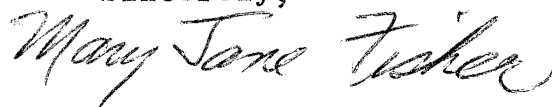

As a home owner and resident of Cleveland Park for 30 years, I am writing to urge you not to permit large-scale development along Connecticut Avenue in the recently-approved Cleveland Park Historical District.

Specifically, under Case No. 86-26, I hope the Commission will change the zoning to preserve the character of the neighborhood and prohibit the building of large office buildings.

I ask that the Commission adopt a policy that permits the development of buildings of a reasonable size, making it possible to retain our present quality of life.

There is also a need for the Commission to bring zoning into line with the Cleveland Park Historic District.

Sincerely,

Mrs. Mary Jane Fisher
