Mr. Lindsley Williams, Chairman
District of Columbia Zoning Commission
District Building
1250 Pennsylvania Ave. N.W.
Washington D.C. 20004

Dear Mr. Williams:

As a resident in the Woodley Park area of the District of Columbia, I am opposed to the possible overgrowth of commercial establishments in the area which will significantly to the existing conditions of overcrowding and traffic congestion.

Therefore, I am officially going on record as being in favor of the downzoning thereby preserving the quality of the neighborhood.

Along with several concerned citizens and the neighbors who share the similar concern for the neighborhood, we feel this request will likewise be in the best interest of the District of Columbia as well.

Sincerely,

Ponzi Watson
