Dear Ms. Bennett:

I am writing re Case 86-26
to strongly support the position
of the Cleveland Park Historical
Society — i.e., (1) limit PUD
highrise office development in
order to keep our historic
district a "low-density
neighborhood center" as laid
out by the Comprehensive
(over)

plan, and (2) limit PUDs to 40 feet and 2.0 FAR so as to protect existing historic buildings.

I trust the Zoning Commission will endorse this position.

Thank You.
