

3315 Wisconsin Ave. N.W.  
Washington, D.C. 20016

REC JUN 17 1985  
Dear Mrs. Maybelle Bennett, Chair

May I add my request to the many others that you receive - namely: limit PUD high-rise office development in D.C. and National Historic District. Serious traffic, parking, and pollution problems already exist.

Please use your influence in having the Cleveland Park Historical Society position adopted.

Sincerely

Mrs. Martha Kierwetter
