Ms Maybelle Bennett, Chair  
DC Zoning Commission  
Washington, DC 20004

Dear Ms. Bennett,

As a resident of Cleveland Park, I am writing to urge you to limit PUD high-rise office development in our National Register historic district. As I am sure you already know, we already have a serious traffic, parking and congestion problems. The Comprehensive Plan, as I understand it, recommends that the district remain a "low-density, local neighborhood center".

Please don't let Washington become just another crowded, no-personality American city. Please help keep it unique and beautiful. Therefore, please adopt the Cleveland Park Historical Society's position and limit PUDs to 40 feet and 2.0 FAR.

Sincerely yours,

*Christopher Buckley*
