Re: Wisconsin Avenue (Cleveland Park) Rezoning

Dear Chairman Williams and Members of the Commission:

You will recall that on July 13, 1987, the Zoning Commission referred our petition for rezoning specific portions of Wisconsin Avenue to the Office of Planning, requesting it to report back to the Commission in time for the Commission to determine at its September 14 (since rescheduled to September 21) meeting whether to have a public hearing on the petition. The Cleveland Park Historical Society hereby requests, pursuant to Chapter 30, Section 3012.1 of the Zoning Regulations, an opportunity to present its views on this matter at your September 21 meeting.

Thank you for your consideration.

Sincerely,

Diane L. Olsson
