DC Zoning Commission
Washington DC 20004

Dear Ms Bennett,

I have learnt about a PUD application
for a high rise in Cleveland Park (Case 86-26).

As a long time resident I object
to this application. I believe that high rise
development in historic area would result in
serious traffic, parking and pollution problems,
and that this area of Cleveland Park
should remain as a low density local
neighborhood center. I would request you
to accept the proposal of the Cleveland Park
Historical Society that PUDs should be limited
to 40 feet and 2.0 FAR in order to protect
existing historic commercial buildings.

Yours Sincerely,

P. M. LANDOLL-MILLS
